S-A	BUDGET MESSAGE	W.S. 16-4-104(d)
<p>In an effort to improve the quality of life and provide for indoor and outdoor recreation opportunities throughout Laramie County School District #2, the LCSD #2 Recreation Board of Directors votes each July at the annual budget hearing whether a 1.0 mill levy for recreational purposes will be assessed. The LCSD #2 Recreation Board of Directors is then responsible for administering the grant awards based on applications submitted to them. The grants are available to all patrons within the boundaries of LCSD #2 who have a proposed project that supports recreational opportunities. The primary objective of the LCSD #2 Recreation Board is to support and assist the communities of Laramie County School District #2. This is to be accomplished by utilizing recreation resources to maintain current facilities, develop future facilities, and to enhance programs for the students and the community.</p> <p>The revenue received is generated by the 1.0 mill levy and this amount does not fluctuate significantly. For 2018-2019, the revenue amount is relatively consistent with 2017-18. For 2019-20, we are anticipating that the revenue generated by the 1.0 mill levy to be less than in slightly less than 2018-19.</p> <p>In 2018-19, the reserve balance increased because the amount of grants awarded by the LCSD #2 Recreation Board were less than the revenues received. Currently, the estimated expenditures for 2019-2020 are higher than the estimated revenues. Therefore, the reserve will decrease.</p> <p>The Recreation Board awards grants based on applications submitted to them. The amount requested varies from year to year. In some years, the amount requested and awarded exceed the revenues received. In other years, the amount of the grant requests and the amount awarded are less than the revenues received. The Board recognizes the requests fluctuate from year to year and therefore, has elected to maintain a cash reserve. The Board has also elected to maintain a cash reserve to allow them to award grants for larger projects. By building up a reserve, the Board is able award larger grants when requested without taking away the possibility for smaller grant requests to be fulfilled as well. For example, in February 2018, the Board awarded a grant in the amount of \$500,000 to fund a portion of an addition of a wrestling room to Burns High School. Because cash reserves were available, the Board was also able to award approximately \$120,000.00 for smaller grant requests in addition to the large project. Based on the By-Laws, the Board will not distribute more than 90% of the total available funding.</p> <p>This report reflects a proposed budget and it should be noted that the amounts may be adjusted prior to the budget hearing in July 2019.</p>
